SUBJECT: GRANTS AND OTHER RESOURCES AVAILABLE FOR YOUTH
PROGRAMS AND SERVICES

New Ways to Work is a consulting organization that works with government entities, foundations, and local communities, to design and implement strategies for issues relating to youth and the institutions that serve them. Its Web site, www.nww.org, offers a number of useful resources, including the June 2004 report, *New Ways to Work Resources and Funding Opportunities*, which identifies several sources of grant funds.

On behalf of the Employment Development Department, I encourage Local Workforce Investment Boards, One-stop operators, other One-stop partner agencies, and interested parties, to consider how those grant funds may benefit your Local Workforce Investment Area. Although your organization may not be eligible for, or appropriate as the lead in a grant project proposal, your organization may be a valuable contributor to the success of a project proposal. Please discuss this notice with your One-stop partners and other interested parties.

If you have any questions, please contact your [Regional Advisor](#) at (916) 653-6347.
